

Formulation Sheet

Aye Yai Yai Fix Eye Firming Gel

ACTS21473

Description: This delicate gel is well-suited for under eye application and would be an excellent vehicle for additional cosmetic actives. This gel is free of stickiness, sliminess, and stringiness. It is an oil-free moisturization platform that offers a gentle firming feel within minutes. TEXTURLUX® Resist provides an anti-aging aspect through functioning as a moisture barrier and giving a gentle firming action, and TEXTURLUX® Feel providing the appealing gel structure.

Ingredients: Water, Zemea® propanediol, TEXTURLUX® Feel, TEXTURLUX® Resist, Spectrastat™ G2-N

Phase	Volume	Ingredient	INCI	Supplier	Function
A	76.5%	Water	Aqua		Solvent
B	15%	Zemea® propanediol	Propanediol	DuPont Tate & Lyle	Humectant
