

## Formulation Sheet

### Hydrating Serum with Coconut Milk

ACTS21700

**Description:** This light and luxurious serum with coconut milk is an excellent fit for facial use, morning or night. Apply to face and enjoy its hydrating and rejuvenating effects. The serum contains desired vitamins, such as C, E, B1, B3, B5, and B6. Hydrating Serum with Coconut Milk is a beautiful translucent product that dispenses easily from a dropper but does not run on the skin. This exceptional rheology is thanks to the inclusion of TEXTURLUX® Stabil.

**Ingredients:** Water, Zemea® propanediol, TEXTURLUX® Stabil, Keltrol® CG-SFT, DL Coconut Milk Powder

Phase	Volume	Ingredient	INCI	Supplier	Function
A	71.8%	Water	Aqua		Solvent
B	20%	Zemea® propanediol	Propanediol	DuPont Tate & Lyle	Humectant
B	6%	TEXTURLUX® Stabil	Hydrolyzed Corn Starch Hydroxyethyl Ether	Tate & Lyle	Polymer
B	0.2%	Keltrol® CG-SFT	Xanthan Gum	CP Kelco	Polymer
B	2%	DL Coconut Milk Powder	Dehydrated Coconut Milk Powder (and) Maltodextrin (and) Milk Protein	Deveraux Specialties	Active

#### Procedure

1. Premix B then add to A with fast dispersion blade stirring for 30 minutes
2. Homogenize until glossy
